

Marketing Department

(In house)

What we can do for you:

Custom and Standard Flyers

Direct mail pieces, including EOS, Custom EOS Cards, and Letters

Graphic design

Office material with Olympia Funding logo

Standard and custom Apparel items

48hr turn around on all flyers

Standard and Custom Booklets and publications

Mailings:

The EOS program and other direct mailings are available to all employees and agents.

Any custom mailings by employees or agents should be done through the marketing department. Agents can choose to do their own mailings, but should seek approval for legal requirements from the Marketing Department prior to mailing.

EOS databases are due on the 15th of the month to be mailed out on the 31st of every month.

Flyers + Advertising:

Flyers and form letter templates are available through the marketing department.

Custom applications are available upon request at all times.

Materials:

Office materials, promotional items, apparel, booklets, or other material is available upon request. We maintain an open door policy in the entire department and maintain a do whatever it takes attitude.

All Marketing/Advertising must be approved by the marketing department prior to publication. Any individual or branch choosing to proceed with any materials without approval from marketing will be financially responsible for any and all fines incurred because of improper wording or failure to meet state and/or federal requirements. You may forward your materials for approval to the Marketing Department and we will provide approval and/or any necessary revisions within 24 hrs of receipt of items.

Our goal is to create materials on demand for any employee or agent of Olympia Funding. We strive to uphold our 48hr turn around time on all marketing requests; except those that are very complex. We will let you know anticipated completion time upon review.
