Quantum

Who: Quantum Management Systems

What: The Power of Commitment—Is a training that explains the principles that allow you to take control of your life, your time, and your business. Commitment as a principle for creating the outcomes in your life that are important to you, time management (with a twist), and client management are the focus of the six days.

Why: The Sales Environment Learning (S.E.L.L.) is designed to help you identify ways in which you will become more effective. To sign up contact Jessica Messina at 925-226-2056 or email jmessina@ofloan.com
